

# The Office Kite

## You need:

- DIN A4 paper (120 g/m<sup>2</sup>)
- 2 long strings
- scotch tape
- scissors
- something to put holes in the paper

## Instructions:

1. Cut the paper like in the picture.
2. Tape over the 1 cm edges with the scotch tape and add holes.
3. Now put in each hole a sting and tie them.
4. Tie both the strings together after 50 cm.
5. Fold the two "blue" Trapezes.
6. Go over your steps and make sure you have not made any mistakes.

## Optional:

### You need:

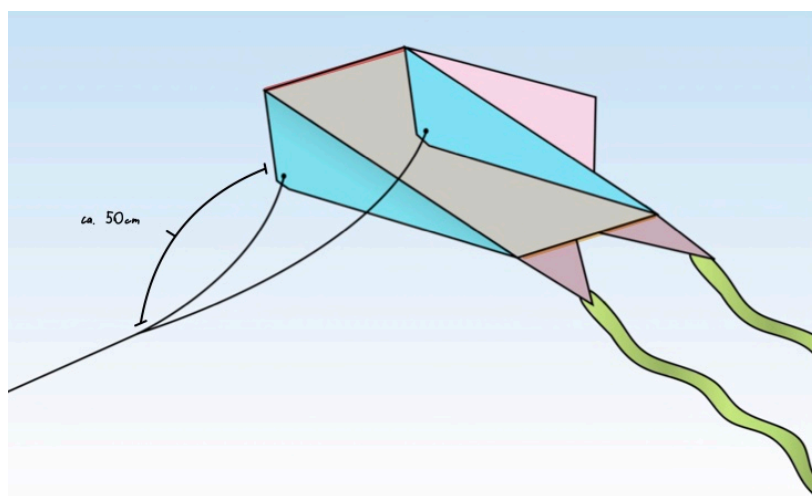

- The 4 "pink" triangles
- scotch tape
- scissors
- light paper

### Instructions:

1. Tape the two big "pink" triangles with scotch tape above the "blue" Trapezes. Be careful that the longer side is on the "red" end of the kite (like in the picture).
2. Tape the smaller triangles with tape on the "orange" end of the kite (look at the pictures).
3. Now cut the paper into 2 strips.
4. Tape it on the top of the smaller "pink" triangles.

### Careful:

- You can tape the small and big "pink" triangles on both sides.
- keep a eye on the pictures.
